## WHO READS OUR PUBLICATION

Tweets by [@behavesightings](#)

Behavioral Sightings is a B2B publication reaching thousands of behavioral healthcare providers every month. The magazine is distributed FREE to residential facilities, partial hospitalization programs, intensive outpatient programs, and major conferences throughout the United States.

### **A Diverse Audience**

We reach people working in all aspects of the drug and alcohol addiction industry.

### **Reaching More People Providing Treatment**

Our publication is handed out to treatment and recovery facilities across the U.S.A.

### **Occupying a Unique Space**

Other industry publications focus only on the treatment facility and ignore the individual treatment providers.

### **Highly Engaged**

Our stories go behind the scenes and let you be seen as a major influencer.

### **Network with Your Peers**

Make connections and be seen by others in the rehab industry.
