

Continuing Education

OnlineTreatment.com subscribers are encouraged to use our Continuing Education resources and watch and listen as experts discuss the latest topics related to sober living and treatment. This is a great way to keep up with the latest topics of conversation in the recovery community while learning more about common substance abuse problems.

Our educational resources are available any time of day or night from any site with an internet connection. Work on professional development and improve life-skills while attending one of our online continuing education courses.

Explore, Learn, Improve

- ▶ Explore new topics of interest in one of our Continuing Education sessions.
- ▶ Learn about the latest treatment and recovery trends from experts in the substance abuse industry.
- ▶ Improve your quality of life while working on self-improvement and learning new life skills.

Professional Development with Sandler Training

Our Continuing Education resource program was designed with the help of the creators of Sandler Training. Sandler is the largest and most respected brand for personal growth and development. They've helped us design a series of formalized Continuing Education videos, which have been completely tailored based on the needs of our clients.
